Should you desire to make public a commitment to Jesus Christ, you may come expressing that and asking for membership into this church through Christian baptism.

By Transfer of Letter

If you desire membership in this church and are presently a part of another Baptist church (having previously been baptized), you may come by letter.

By Statement of Faith

If you have previously been a Baptist and are not presently associated with a Baptist church, you may come by statement of faith.

By Baptism from Another Denomination

If you are a Christian coming from another denomination but have not been immersed, you may come for baptism into this church. (This is not a question of your prior commitment, but is meant as a symbol of your identification with this church's policy and beliefs.)
